

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO. 25/2023

Dated Kohima, the 7th March 2023

No.NBE-28/Ad-NCERT /2022-23 :: This is for the information of the Heads of Institutions that on 19th December 2022, in the online interaction of the functionaries of the State/UTs, the Department of Education in Science and Mathematics and NCERT the Rashtriya Avishkar Saptah (RAS) 2022-23 was highlighted. The guidelines and activities on the topic "Study of Soil Health" were discussed and it was informed that few schools will conduct these activities as per RAS 2022-23 guidelines. However, very less number of schools responded.

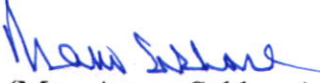

The guidelines for RAS 2022-23 have already been uploaded on NCERT website for reference of the activities and procedure to perform and upload the result and data. Link of the guidelines is given below.

https://ncert.nic.in/pdf/notice/RASGuidelines2022-23_ENG.pdf

https://ncert.nic.in/pdf/notice/RASGuidelines2022-23_HIN.pdf

Based on these guidelines, the schools registered with the Board are encouraged to conduct activities on "Study of Soil Health" during the month of February/March 2023 and upload data on Google forms. Results of the activities may be uploaded and sent to the Google form given in the guidelines. The link of the Google form is given below:
