

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO.36 /2023

Dated Kohima, the 11th April 2023

No.NBE-28/Ad-NCERT /2022-23 :: The G20 is the premier forum for international economic cooperation among its members who are the world's major economies, representing 85% of global economic output, two thirds of the world's population, and 75% of international trade. It comprises 19 countries and an organization of countries known as the European Union as members. The members of G20 are: Argentina, Australia, Brazil, Canada, China, France, Germany, India, Indonesia, Italy, Japan, Republic of Korea, Mexico, Russia, Saudi Arabia, South Africa, Turkey, United Kingdom and United States and the European Union.

You are aware that India has assumed the Presidency of the Group of Twenty (G20) from 01st December 2022, for a year and has re-emphasized that we are one of the most aspirational nation and also one of the youngest with median age being 29 years. The Hon'ble Prime Minister's vision for G20 Presidency is that 'India's G20 Presidency will work to promote this universal sense of one-ness'. Hence, our theme is "**Vasudhaiva Kutumbakam**" or "**One Earth. One Family. One Future**".

In this regard, the Ministry of Education, Department of School Education & Literacy, Government of India befits that if our school going children are given an opportunity to have a glimpse and understand the international scenario, its dynamics and India's position in it. This would facilitate and enable them to think critically, innovate, communicate and be a change maker.

Therefore, to enable the engagement of youth of the country with the G20, the Ministry of Education had suggested some activities for Schools such as:

- Students can model the functioning and proceedings of G20 meetings and produce an outcome document at their level.
- Lifestyle for Environment (LiFE) Quiz
- Slogan Writing Competition on G20

These two quizzes and the slogan writing competition are available on <https://quiz.mygov.in>

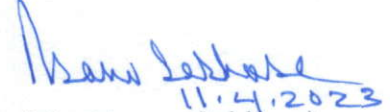

- Exhibition of best practices of technology enabled activities -Augmented Reality (AR) and Virtual Reality (VR) exhibition for school students.
- Science Exhibitions

Details about Model G20 and how these activities can be conducted by schools are attached as annexure A, B (for classes IX to XII) and C (for classes VI to VIII) for reference.

The most notable papers in this regard will be acknowledged. Some of these papers will also be recognized nationally by the Ministry of Education.

More activities for students to participate and contribute to make G20 closer to students and teachers and people as a whole can also be found in the website g20.org.

The Board requests the schools to encourage students to learn and participate in these G20 activities. Schools shall conduct the suggested activities and select the best one from each category i.e. i. Classes VI to VIII and ii. Classes IX to XII and email to g20nbse@gmail.com latest by August 2023.
